Towards the end of the evening, we will announce that the Casino will be closing and you will be asked to begin "cashing out" at any one of the gaming tables.

CASH OUT PROCEDURE FOR RAFFLE:

Each guest will cash in their remaining chips at any gaming table. The Croupiers will cash in the chips, in trade for raffle tickets. The guests will receive 1 raffle ticket (*both halves*) for every \$10,000 worth of chips, with a maximum of 50 tickets. The tickets (one half) will then be placed in the bowl of the corresponding prize that the guest wishes to win, while the guest holds on to the other half.

GOOD LUCK!!
