Casino Parties by Show Biz productions is the recipient of the Best Solution to Logistical Issue, awarded by the National Association of Casino Party Operators.

Casino Parties by Show Biz Productions is proud to announce that they are the recipient of the 2019 Best Solution to a Logistical Issue, presented by the National Association of Casino Party Operators (NACPO). This award honors the leaders in the Casino Party Operator business. Casino Parties by Show Biz Productions has excelled in the Best Solution to Logistical Issue category.

This award-winning event was held on Wednesday, December 12th at the Sax Dinner Theater and Lounge...a refurbished club that specializes in comedy and burlesque shows. The task was to find room for 2 Craps tables, a Double Roulette, 7 Blackjack tables, 2 Poker tables, a Wheel of Fortune, 5 slot machines, and 250 guests. In an arena with fixed tables and limited spacing, we had our work cut out for us. There wasn't enough room for our large 14' Craps table so we had to use two 6' Craps tables to accommodate. Four of the Blackjacks and a Money Wheel were placed downstairs in alcoves in one of the few locations where tables weren't bolted in. On the second floor, there was a landing that could hold our Double Roulette. Slot machines were placed on every available ledge and bar top. With all available spacing full, that left the question of where to place the two Poker tables. We found two

upholstered, curved booths with seating on an open end to fit a dealer. We solved the biggest issue by placing a Poker felt onto the immovable table. To my surprise, the guests loved the closed quarters atmosphere of our Poker "tables" and the booths were full all night. Sometimes, this business allows us the opportunity to observe the unique venues our cities have to offer, and we have the chance to pull off their events!

The NACPO members voted on the winner of this award. This Association is made up of 50 companies nationwide that produce charity Casino Fun Nights or fundraisers for a wide variety of worthwhile causes. The 2019 conference was held at the Golden Nugget in Las Vegas. The companies in attendance are the leaders in the Casino Fun Night industry.

Steve Phillips and Casino Parties by Show Biz Productions have been producing Casino Nights and fundraisers since he purchased the business in September of 1979. Since then he has produced numerous successful events.
