Casino Parties by Show Biz Productions is the proud recipient of the 2020 NACPO Innovator of the Year Award for our Virtual Casino Parties and Virtual Entertainment, awarded by the National Association of Casino Party Operators.

Casino Parties by Show Biz Productions is proud to announce that they are the recipient of the 2020 NACPO Innovator of the Year Award for Virtual Casino Parties and Virtual Entertainment, presented by the National Association of Casino Party Operators (NACPO). This award honors the leaders in the Casino Party Operator industry. Casino Parties by Show Biz Productions has excelled in its production of groundbreaking Virtual Casino Parties and Virtual Entertainment.

Virtual Casino Fun Nights and Virtual Entertainment have given our clients the opportunity to connect in the spirit of fun whether they are working in their home office or any other location. Our hybrid events give your guests the opportunity to physically attend the event in-person or be a part of the event by attending the virtual component. These events compliment each other by giving the attendees the option of participating physically or in the comfort of their own space. A cameraman is provided at the live event so that virtual attendants can be part of the live party in a Zoom breakout room. This is interactive entertainment at its very best. Over the past four months, the team at Casino Parties by Show Biz Productions has honed their skills to produce Virtual Parties and Virtual Entertainment on Zoom and other video-conferencing softwares.

The NACPO awards committee presented this honor to company founder and president Steve Phillips; this association is made up of 50 companies nationwide that produce Charity Casino Fun Nights and Fundraisers for a wide variety of worthwhile causes, as well as Corporate Functions and Private/Social events. The 2020 conference was held virtually on Zoom celebrating our 29<sup>th</sup> annual conference. The companies in attendance are the leaders in the Fun Night industry.

Steve Phillips and Casino Parties by Show Biz Productions have been producing Casino Nights and Fundraisers since he purchased the business in September of 1979. Since then, he has produced thousands of successful, fun, interactive and memorable events. Now, these events are available nationwide and globally via Zoom.
