Show Biz Productions Announces Its Adopt-A-Charity Fundraising Program for Hurricane Ian Relief

For 40 years, Show Biz Productions has produced thousands of parties providing fun nights of entertainment. From specializing in all events, including but not limited to, country clubs, gated community functions, private parties, company events, fundraising and more, the community needs a fundraising opportunity like this now more than ever.

Show Biz is offering an opportunity to do good while having fun by offering the community 25% off their fun night casino events when they host a fundraiser for Hurricane Ian Relief. Clients will choose from a list of charities partnered with Show Biz who will accept funds by offering gaming chips in exchange for donations to continue playing in the casino event. Guests are encouraged to donate and aid the charity with any funds available to help those in need.

They're excited to be working with the charities who have increased their efforts during this great time of need such as Community Cooperative (<https://communitycooperative.com/>) and Goodwill of Southwest Florida (<https://goodwillswfl.org/>). If you are a charity, business, or someone who was devastated by Hurricane Ian, please email info@showbizproductions.com to be added to their list and benefit from donations.

If you are a charitable organization looking to host a fundraising event and/or gala for your cause, they would be happy to meet with you and your committee to go over all the details and help your organization raise the money that is desperately needed.
